By checking this box, you assure us that you will provide the name, biographical resume and contact information of the observer⁵ to ABET Headquarters at shersh@abet.org or akarapetyan@abet.org no later than August 31. Any questions? Please feel free to contact us.

REQUEST FOR ACKNOWLEDGEMENT^{1&2}

RFA Part 3

INSTRUCTIONS

1. This Request for Acknowledgement (RFA) form applies to programs located outside of the U.S. ABET requires that programs requesting ABET review must be housed in a degree-granting institution which has been approved and recognized by the highest quality assurance agency for higher education or national education authority in the institution's country. Therefore, ABET requires that a RFA come from that agency in conjunction with any request for ABET evaluation. The RFA Parts 1 & 2 must be completed by each applicable national education authority/higher education quality assurance organization/recognition agency/accreditation agency and submitted to ABET by the institution together with a completed Request for Evaluation (RFE) form or shortly following submission of the RFE but **no later than January 31**. A separate form is required for each applicable agency.

Please be advised that ABET will conduct an accreditation review and on-site visit outside the U.S. only with explicit acknowledgment from all applicable national education authorities, recognition and accreditation agencies in that program's country or region.

2. ABET is involved in several international agreements with quality assurance organizations worldwide, such as Washington Accord, Mutual Recognition Agreements and Memoranda of Understanding. Participating organizations for these activities can be found at <http://www.abet.org/global-presence/mutual-recognition-agreements/> and <http://www.abet.org/global-presence/memoranda-of-understanding>.

Regarding ABET RFEs for programs located in the jurisdiction of any of the participating organizations, ABET will keep the relevant organizations informed as necessary.

3. List the exact program name(s) (not the department name(s)) as the names appeared on your RFE. Program names should be identical to those on student transcripts and in your institution's literature. Programs from the same institution but applied under different ABET Commissions may share one request form for each agency.

4. Present at least one piece of evidence (i.e. specify the agency's official webpage or attach a copy of the official letter/certificate) which can verify that your institution/programs are recognized or accredited by the agency which provides this recognition.

5. ABET welcomes a member of the agency to participate in the accreditation visit as an observer.

Please be advised that it is ABET's policy that all participating observers should have no real or perceived conflict of interest with respect to the institution being visited. Observers must be approved by ABET Headquarters (HQ), the Visit Team Chair and the visit institution. Therefore, we request a biographical resume (bio) with complete contact information from participating individuals **no later than August 31**. Once the observer is accepted by ABET HQ and the Visit Team, the individual's bio will be forwarded to the institution for approval. Lastly, the visit team chair will contact the observer with the visit information when the individual is accepted by the institution. The observer's information can be transmitted to ABET HQ by e-mail at shersh@abet.org or akarapetyan@abet.org.

On-site visits typically are held between September and mid-December. We will notify the participating agency between July and August as to the visit dates.
