INSTRUCTIONS

This kit is designed to help you nominate a candidate for the ABET Innovation Award.

Before you send in your nomination, make sure to:

1. Read the Criteria carefully and ensure that your nominee has the distinguished qualities to be eligible for this Award.
2. Complete and sign the Nomination Form. Anyone can nominate; self-nominations are encouraged.
 - a. Supplemental Materials: Please attach up to 10 pages of evidence/documents that prove the success of this innovation. Failure to adhere to this limit will result in automatic disqualification.
 - b. Links will not be accepted as supplemental materials. However, information from links can be submitted as a document that will be considered part of the 10-page limit.
3. Email the completed nomination in PDF format to awards@abet.org by April 20 and keep a copy for your records. No handwritten entries will be accepted.

Deadline: April 20

Nominations are accepted year round, but must be received by email before our April 20 deadline. No exceptions will be granted.

Expect a written notification of receipt from ABET Headquarters. If you do not receive confirmation, please send an email to awards@abet.org.

By the end of September, you should expect notification on the outcome, following formal vote by the ABET Board of Delegates.

ABOUT

ABET Innovation Award

True innovation is hard to define, but easy to identify. This award distinguishes programs or individuals that have brought a significant innovation to STEM education in areas like: curriculum development, laboratory experiences, teaching methodologies, cross-disciplinary programs, experiential learning – almost anything designed and proven to improve a student's educational experience.

The ABET Innovation Award honors individuals, teams or programs that have broken new ground by developing and implementing innovations that impact ABET-accredited programs.

Information on past winners can be found at www.abet.org/awards/abet-innovation-award/.

THE CRITERIA

To be considered for the ABET Innovation Award, your nominated innovation must have been directly related to an ABET-Accredited program and will be judged against these criteria:

1. FOCUS

The nominee has a clear and targeted innovation that significantly addresses a specific situation or issue.

2. LEADERSHIP

The nominee has established a forward-thinking process by which the innovation promises to be sustained and readily adopted by others.

3. IMPACT

This innovation has made or has the ability to make a tangible difference to technical education as a whole. Its significance extends well beyond the classroom.

4. RELEVANCE

The nominee is ensuring that students today are being prepared to face and tackle emerging challenges. Along with those that have yet to be identified.
