## SECTION ONE: Purpose

These Rules of Procedure define the operations of the ABET Board of Delegates, its Area Delegations, Councils, Commissions, and Committees. They are derived from and subsidiary to the Constitution, Bylaws and Board of Directors Rules of Procedure.

## SECTION TWO: Conflict of Interest

(Policy as established by the Board of Directors and published in the ABET Board of Directors' Rules of Procedure, Section Two. Included here for reference.)

### A. Policy:

*Service as an ABET Board Director, Board Delegate, Member Society representative to an Area Delegation, on a Committee, Council, or Commission, as a Team Chair or Program Evaluator, Alternate to the Board of Delegates, Area Delegation, or Commission, or ABET staff member creates situations that may result in conflicts of interest or questions regarding the objectivity and credibility of ABET's accreditation process. ABET expects these individuals to behave in a professional and ethical manner, to disclose real or perceived conflicts of interest, and to recuse themselves from discussions or decisions related to real or perceived conflicts of interest or questions regarding the objectivity and credibility of the accreditation process. The intent of this policy is to:*

1. *Maintain credibility in the accreditation process and confidence in the decisions of the Board of Directors, the Board of Delegates, Area Delegations, Committees and Councils, Commissions, Team Chairs, Program Evaluators, and staff members;*
2. *Assure fairness and impartiality in decision-making;*

4. *Act impartially to avoid the appearance of impropriety.*

  - f. *Current or past membership on the institution's governing board or any institutional, departmental or program advisory board.*
  - g. *Current or past paid or unpaid, official or informal relationship or affiliation within the past 10 years with an institution, such as providing significant assistance or review for a program's accreditation preparation, working on a fundraising campaign, being a volunteer club advisor, or similar. This does not include serving on an ABET evaluation team, which is covered in paragraph B.2.a..*
  - h. *A financial or personal interest.*
  - i. *Any reason that the individual cannot render an unbiased decision.*
2. *ABET will observe the following procedures:*

  - b. *Individuals representing ABET must decline an assignment for which they have a real or perceived conflict of interest per section 1.*
  - c. *Editors will not be assigned to edit a statement for an institution where they have been employed, engaged in consulting, or been on an ABET team (Team Chair, PEV or Observer) during any part of the current institutional general review cycle. Editors must declare any conflicts of interest before the start of the accreditation cycle program assignments.*
  - d. *Individuals who have been employed at or provided significant consulting services or assistance (paid or unpaid) with a program's accreditation preparation during the period of an accreditation cycle for which accreditation decisions are under consideration shall declare their conflict of interest and not participate in discussions or vote on any accreditation action.*

*not eligible to serve concurrently on the Board of Directors, the Board of Delegates, or Area Delegations; nor are ABET Directors or Delegates eligible to serve concurrently on an ABET Commission. Area Directors, in their role as liaisons to the Commissions, serve as ex-officio, non-voting members of the Commissions.*

4. *A record of real or perceived conflicts of interest will be maintained for all those involved in the accreditation process. Each individual will be provided the opportunity to update this record annually. Each Member Society will have access to their volunteers' records for the purposes of annually updating or removing Program Evaluators from the approved list. The records of conflicts of interest will be utilized annually in Team chair and Program evaluator selection.*
5. *All individuals representing ABET must annually review and acknowledge conflict of interest and confidentiality statements indicating that they have read and understand these policies. The policies on conflict of interest and confidentiality will be reviewed at the start of each Board of Directors, Board of Delegates, Area Delegation, and Commission meeting.*
6. *ABET will maintain a record of the names of individuals recusing themselves for conflicts of interest at each meeting related to accreditation decision making.*

  - a. The Whistleblower Policy is intended to encourage and enable ABET volunteers and staff to report concerns regarding questionable or improper accounting, internal accounting controls, and auditing matters (collectively: accounting matters).*
  - b. Concerns involving accounting matters should be reported directly to the Chair of the ABET Board of Directors Audit Committee, and may be reported verbally, on a confidential basis, or anonymously.*
  - c. The Chair of the Audit Committee shall immediately notify the Audit Committee members, the ABET President, and the Executive Director that a concern has been received. Unless the concern is reported anonymously, the Chair will also acknowledge receipt of the concern within five (5) business days, if possible. The Audit Committee will promptly investigate all concerns and recommend appropriate corrective action to the ABET Board of Directors, if warranted by the investigation. Action taken must include a conclusion and, except for concerns reported anonymously, follow-up with the complainant for complete closure of the concern.*
  - d. If, as part of its investigation, the Audit Committee finds evidence of a Code violation by an ABET volunteer, that individual will be notified and asked to respond to the issues raised as per Sec. C.1.c. of these Guidelines. Subsequently the procedures of Sec C.1 will be followed. If the violation is by an ABET staff member, the Executive Director will be notified, and the procedures in the Employee Operations and Procedures Manual will be followed. The Audit Committee has the authority to retain outside legal counsel, accountants, private*

- investigators, or other resources deemed necessary to conduct a full and complete investigation of the allegations.*
- e. No individual who, in good faith, reports a concern shall be subject to harassment, retaliation, or other adverse employment or volunteer consequence for reporting that concern. A volunteer or employee who retaliates against someone who has reported a concern in good faith is subject to discipline, up to and including dismissal as a volunteer or employee according to Sec C or the Employee Operations and Procedures Manual. If the whistleblower believes that s/he is experiencing retaliation, s(he) should submit a Code violation complaint alleging such retaliation.*
  - f. Anyone reporting a concern must act in good faith and have reasonable grounds for believing the information disclosed indicates an improper accounting, internal controls, or auditing practice. The act of making allegations maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including dismissal from the volunteer position or termination of employment if an aggrieved individual files a Code violation complaint.*
  - g. Disclosure of reports of concerns to individuals not involved in the investigation will also be viewed as a serious disciplinary offense and may result in a Code violation finding.*
- 8. To treat all persons involved in accreditation activities with fairness and justice.*
- a. All ABET volunteers and staff shall treat fairly all persons involved in accreditation activities regardless of such factors as age and experience, economic status, education and training, employment history, gender, job level, physical and mental abilities, professional employment, race, nationality, ethnicity, religion, sexual orientation, and ways of learning and communicating.*
- 9. To assist colleagues and co-workers in their professional development and to support them in following this Code of Conduct.*
- a. ABET will provide broad dissemination of this Code of Conduct to its volunteers, staff, representative organizations, and other stakeholders impacted by accreditation.*
  - b. ABET will provide training in the use and understanding of the Code of Conduct for all new volunteers and staff members.*
  - c. All those involved in accreditation matters shall continue their professional development throughout their service with ABET and shall provide/participate in opportunities for the professional and ethical development of all stakeholders.*

10. *It is the policy of ABET to review all complaints received from any source, including students, against ABET that are related to compliance with ABET's Constitution, Bylaws, appropriate Rules of Procedure and APPM, and to resolve any such complaints in a timely, fair, and equitable manner. Section IV C specifies the process for adjudicating alleged violations. Furthermore, it is the policy of ABET to retain all documentation associated with any such complaint received for a period of not less than five years.*

**C. Code Violation Adjudication:**

*The following policies and procedures provide for the prompt and fair adjudication of alleged violations of the Code of Conduct hereinafter referred to as a complaint. They shall be used to process Code of Conduct cases involving ABET volunteers. Alleged violations against ABET staff shall follow policies and procedures given in the Employee Operations and Procedures Manual. Whistleblower concerns regarding accounting matters are treated differently from Code of Conduct complaints. See Sec B.7. Key definitions underlying the policies and procedures include:*

- *Cause of Dismissal, Suspension, or Censure. An ABET volunteer may be dismissed as a volunteer, suspended, or censured for cause. Cause shall mean conduct that is determined to be:
  - a material violation of the ABET Code of Conduct, or
  - a material violation of the ABET Constitution, Bylaws, or pertinent Rules of Procedures.*
- *Rights and Privileges. No person who has been dismissed as an ABET volunteer and no member who has been suspended shall (during the period of the suspension) be allowed any service as a program evaluator, team chair, or on Commissions, committees, councils, and the Boards of Directors or Delegates or on an Area Delegation, at all levels within ABET.*

*The process has two phases. Phase One involves submittal of a complaint and evaluation by the Audit Committee. Once a complaint has been vetted by the Audit Committee and judged worthy of further consideration, the second phase of the process begins. In the second phase, ABET is charged with determining whether there has been a material violation of the ABET Code of Conduct and, if so, what sanctions should be applied. Specifically, Phase Two is not a complainant proving a charge against a volunteer. Rather, ABET is determining the facts and making a judgment.*

*At all points in the process individuals cited in complaints will be recused unless providing input to an investigation, and those with potential conflicts of interest will also recuse themselves.*

*During all aspects of the process, strict confidentiality shall be maintained. Only the participants shall be aware of the proceedings and associated circumstances.*

*The detailed procedures and processes are:*

**1. Phase One**

**a. Filing Complaints:**

- i.** *Complaints should be sent to the ABET Executive Director.*
- ii.** *Complaints may be filed by any individual or institution regarding Code of Conduct matters related to ABET activities.*
- iii.** *Complaints must be submitted in writing and signed or they will not be pursued.*
- iv.** *Complaints need to detail the specific aspects of the Code of Conduct that an ABET volunteer or volunteers are accused of violating. Furthermore, the complaint needs to detail the evidence that is being used to justify the complaint. The complainant should provide all known evidence supporting the alleged violation.*
- v.** *Complaints received with no evidence submitted will be dismissed.*
- vi.** *No conduct alleged to have occurred more than two years prior to the date on which the complaint is received shall be considered.*

**b. Executive Director:**

- i.** *All actions by the Executive Director will take place within 14 days of receipt of the complaint.*
- ii.** *The Executive Director will destroy all anonymous complaints.*
- iii.** *The Executive Director examines the complaint for the details required in Sec C.1.a. If the complaint does not satisfy the submittal requirements, it will be returned with an indication of what is missing.*
- iv.** *If the complaint meets the requirements of Section C.1.a., the Executive Director will forward the complaint to the Audit Committee and indicate to the complainant that the complaint is being pursued.*

**c. Audit Committee conducts its preliminary investigation:**

- i.** *If the complaint is against a member of the Audit Committee, that individual will recuse themselves for all proceedings. Unless recused the Chair of the Audit Committee will preside over the preliminary investigation.*

- ii. *Within 14 days of receipt of the complaint from the Executive Director, the Audit Committee shall determine, after a preliminary investigation, if there is a reasonable basis for believing:*
  - a) *That the facts alleged in the complaint, if proven, would constitute a violation of the ABET Code of Conduct, and*
  - b) *that the facts alleged in the complaint can be proven.*
- iii. *If the Audit Committee determines that there is a reasonable basis for believing that C.1.c.ii.a or C.1.c.ii.b, or both are false, the case will be dismissed.*
- iv. *If the Audit Committee determines that there is reasonable basis for believing that both C.1.c.ii.a and C.1.c.ii.b are true, then the volunteer against whom the complaint is filed will be asked to respond to the issues raised in the complaint.*
  - a) *The volunteer(s) will receive the complete complaint against them, including the name of the individual(s) or institution(s) making the complaint.*
  - b) *The volunteer will have 21 days to respond to the complaint by providing written arguments clarifying or refuting charges in the complaint.*
- v. *Within 14 days after receiving the response of the volunteer, the Audit Committee will make a final recommendation on the complaint.*
  - a) *If the Audit committee determines that there is a reasonable basis for believing C.1.c.ii.a or C.1.c.ii.b, or both are false, the case will be dismissed.*
  - b) *If the Audit Committee determines that there is reasonable basis for believing that both C.1.c.ii.a and C.1.c.ii.b are true, then the complaint will enter Phase Two of the process.*
  - c) *If the volunteer does not respond, the case will enter Phase Two of the process.*

## 2. Phase Two

*During Phase Two the process is aimed at clarification of issues and making sure that all relevant input has been gathered from all parties. This may require repeated communication with all parties to the complaint. Failure of parties to respond, for whatever reasons, is not viewed as cause to terminate the process. At this point ABET is determining whether the Code of Conduct has been violated and is not adjudicating a complaint between/among volunteers.*

*Phase Two begins with a Finding and Recommendation Committee (FRC) composed of three recent ABET Past Presidents.*

- a. *Finding and Recommendation Committee (FRC):*
- i. *The Executive Director will communicate with recent ABET Past Presidents available and eligible to serve. Eligibility requires that the individual have no conflict of interest and not be a paid member of ABET staff. The Executive Director will continue contacting ABET Past Presidents until three have been chosen for the FRC. It is noted that the FRC is a volunteer body and all participants are subject to the ABET Code of Conduct.*
  - ii. *The most recent Past President of the three chosen shall serve as Chair of the FRC.*
  - iii. *The FRC shall review the case and determine additional information that is necessary in order to render a finding. Any FRC member can request additional information. However, all communications shall be from the Committee Chair.*
  - iv. *In no case shall the FRC proceed without all three members present.*
  - v. *After the initial information gathering by the FRC the complainant and the charged volunteer will have access to all written information in the case. These parties can each supply one additional document summarizing their perspectives and positions on the case.*
  - vi. *The goal of the FRC is to complete data gathering, evaluation and recommendations within 45 days of being formed. However, the proceedings will be scheduled to provide reasonable accommodation for the written responses of all parties to the complaint.*
  - vii. *Within 14 days of the final responses in C.2.a.iv., the FRC shall render a finding that:*
    - a) *No violation of the ABET Code of Conduct was proven and the case is dismissed, or*
    - b) *Specific violations of the ABET Code of Conduct have been proven.*
  - viii. *Any finding by the FRC shall require an affirmative vote of two of the three FRC members.*
  - ix. *If the FRC finds that there has been a material violation of the ABET Code of Conduct, it will also recommend specific Sanctions (Sec C.2.b.).*
- b. *Sanctions:*
- i. *Recommendations by the FRC as to sanctions, as defined below, shall be made on the basis of the severity of the wrongful conduct of the individual(s), the extent to which ABET's interests were prejudiced as a result of such conduct, and other factors that the*

*FRC finds relevant in the circumstances of the particular case. The sanctions that may be imposed by the FRC are as follows:*

- a) *Censure means an official reprimand. Such reprimand shall be in the form of a letter from the President on behalf of the Board of Directors.*
  - b) *Suspension means that all activities and roles as well as benefits and privileges associated with being an ABET volunteer, shall cease for the period of the suspension effective when the suspension begins. If the FRC makes a recommendation of suspension, a recommendation for suspension duration shall also be made.*
  - c) *Dismissal means that the individual shall no longer serve as an ABET volunteer nor be eligible to serve in the future.*
- c. *Review:*
- i. *Within seven days of rendering a decision, the FRC will report its findings and recommended sanctions to the eligible (not recused) Officers of ABET. The report shall also contain, as an appendix, all correspondence with the parties to the complaint and the timeline of that correspondence.*
  - ii. *The eligible Officers of ABET will review the process and procedures of the FRC.*
    - a) *Assuming the FRC has followed the correct procedures, the eligible officers will approve, by majority vote, the communication of the results to the parties to the complaint. Communications will be done by the Executive Director within seven days of approval of the FRC report, which must be within 14 days of receiving the report from the FRC.*
    - b) *If the Officers find that the FRC has not followed the approved procedures, the FRC will be requested to correct their procedures, reconsider their evaluation and recommendations accordingly, and resubmit their findings to the Officers of ABET.*

d. *Appeal:*

*The charged volunteer shall have the right to appeal the final action of the FRC to the full Board of Directors in writing within 30 days of receipt of the final action. Such appeal must include all relevant information as to the basis for the appeal. The appeal will be heard at the next regularly scheduled Board of Directors' meeting. Members of the FRC shall not participate in the appeals process. Provided that 2/3 of the eligible voting membership of the ABET Board of Directors agree, the sanction levied by the FRC may be confirmed or reduced. No other action may be taken by the Board of Directors on the appeal. Within*

*seven days of the Board's decision, the Executive Director will communicate the decision of the Board to the parties to the complaint.*

e. *Notifications:*

*The names of dismissed and suspended volunteers shall be dropped from the volunteer rolls of ABET. For all sanctioned volunteers, the Executive Director will notify the volunteer's society liaison(s) of the sanction with a brief summary of the Code violation. For a suspended volunteer, the society liaison may request reinstatement at the conclusion of the suspension period.*

ensure posting of draft minutes within 45 days of the meeting, and recommend approval of the minutes to the ABET Board of Delegates.

2. Area Delegation Secretary
  - a. Each Area Delegation's Rules of Procedure shall specify the procedure for selecting its Secretary and the number of terms they can serve.

## **SECTION SIX: Board of Delegates and Area Delegations**

### **A. Membership**

Members of the Board of Delegates and Area Delegations are appointed by the Member Societies and Associate Member Societies of ABET in accordance with Bylaws Section Six. For convenience, Bylaws Section Six is quoted below.

(Policy as established by the Board of Directors and published in the ABET Bylaws, Section Six Delegates. Included here for reference.)

- A. *As specified in Article Seven of the Constitution, Delegates are individuals appointed to the Board of Delegates by their respective Member Societies, and Associate Delegates are individuals appointed to the Board of Delegates by their respective Associate Member Societies.*

*Individuals appointed by their respective Member Societies or Associate Member Societies to be their designated representatives to an Area Delegation shall be called Area Delegates to that Area Delegation. To clarify the distinction between Delegates, Associate Delegates and Area Delegates, the term Board Delegates (Associate Board Delegates) will be used to denote individuals appointed to the Board of Delegates by Member Societies (Associate Member Societies).*

- B. *In addition to meeting the provisions of Article Seven of the Constitution, the Area and Board Delegates of ABET may not serve in multiple roles as any delegate and either Officer, Director, or Commissioner.*

- C. *In accordance with Article Seven of the Constitution, the number of seats on the Board of Delegates and on each Area Delegation for each Member Society and Associate Member Society shall be determined as follows.*

1. *For each Member Society, the number of Board Delegates is based on the number of U.S.-based accredited programs for which the Member Society has lead or co-lead responsibility for a curricular area, according to the table below. The count of accredited programs for a Member Society serving as Co-Lead for a curricular area includes only U.S.-based programs for which that Member Society provides Program Evaluators. Section Twelve of these Bylaws describes the designation of Lead and Co-Lead Societies for a curricular area.*

Number of U.S.-Based Accredited Programs	Delegates
0-99	1
100-299	2
300 or more	3

2. *Each Associate Member Society shall appoint one non-voting Associate Delegate to the Board of Delegates.*
3. *The number of seats a Member Society has on each Area Delegation is determined by counting the same Lead and Co-Lead conditions as was used to determine the number of Board Delegates, but counting only those programs accredited by the Commission associated with that Area Delegation. However, no Member Society shall have a seat on an Area Delegation if it has no programs accredited by the associated Commission, with the following exceptions:*
  - a. *A Member Society listed as a Co-Lead or a Cooperating society on one or more programs in an Area, which does not already have an Area Delegate in that Area, may assign one delegate to that Area Delegation; and*
  - b. *NCEES and NSPE each shall have one seat on each of the Engineering Area delegation, the Engineering Technology Area Delegation, and the Applied and Natural Sciences Area Delegation.*

*Section Twelve of these Bylaws describes the designation of Cooperating Societies for curricular area.*

### **B. Membership**

The membership of the Accreditation Council shall consist of a Chair, appointed by the President; the Chairs, Past Chairs, and Chairs-Elect of each of the Accreditation Commissions; and the Chair of the Global Council (ex officio, non-voting). The Accreditation Council Chair shall be appointed from among those who have served as Past-Chairs of an ABET accreditation commission but do not currently serve as a voting member of any of the Commissions. (See Bylaws Section Eleven A.)

### **C. Focus**

The Accreditation Council shall direct its focus towards the adoption of common rules, policies, procedures, and processes across the Commissions, with special consideration given to the identification of best practices and the establishment of such practices across the Commissions. The Council shall make recommendations to the Board of Delegates, as appropriate, on issues requiring Board of Delegates consideration.

### **D. Voting**

Each Commission shall have one vote, as determined by its representatives, with respect to each Accreditation Council decision. A unanimous vote of the Accreditation Council shall be required for any resolution to be passed and, if approved by the Board of Delegates, shall be binding on all Commissions.

## **E. Standing Committees:**

### **1. Training Committee:**

- a. The Accreditation Council shall have a Training Committee that is responsible for the oversight of the training processes for Program Evaluators and Commission Members, as described in Section Nine of these Rules of Procedures.
- b. The Accreditation Council Training Committee shall consist of the Chair of each Commission's Training Committee and any co-Chair of each Commission's Training Committee, four at-large members, plus the Chair of Accreditation Council Training Committee. The four at-large members shall be Commissioners, one from each of the commissions. The at-large representative term will usually be two years, however they may serve an additional two-year term, if needed, to ensure continuity in accomplishing Training Committee ongoing tasks. Additional members may be appointed to the Training Committee, if needed to accomplish Committee tasks.
- c. The Chairs and co-Chairs of the Commission Training Committees shall recommend to the Chair of the Accreditation Council the appointment of the Chair of the Accreditation Council Training Committee. The Chairs and co-Chairs of the Commission Training Committees shall appoint the other members of the Training Committee from their respective Commissions.

## **SECTION EIGHT: Commissions**

The Accreditation Commissions are empowered by Article Nine of the ABET Constitution and are defined by Section Twelve of the ABET Bylaws.

### **A. Membership**

1. The membership of each Commission shall be made up of Commissioners, Commission Officers, Commission Executive Committee Members-at-Large, one Public Commissioner, and one Area Delegation Liaison from the associated Area Delegation. All members of the Commissions are voting members with the exception of the Area Delegation Liaisons. No overlapping memberships or alternate memberships of individuals shall exist between the Commissions and the Board of Directors, the Board of Delegates, or Area Delegations, except for non-voting appointments to the Commission.
2. The size of a Commission is a function of its workload, which is largely driven by the number of accreditation visits in a given year. This workload affects both the number of Commissioners and the size of the Commission's Executive Committee, as specified respectively in Sections Eight B.3. and Eight D.4. The Board of Delegates may change the size of a Commission or a Commission's Executive Committee upon a recommendation by the associated Area Delegation.

## B. Commissioners

1. Commissioners are representatives from Lead Societies, Cooperating Societies, and other societies specified by the ABET Board of Delegates in Section Eight B.3. Commissioners provide specialized knowledge during Commission deliberations.
2. The ABET Board of Delegates may specify Commission membership for other societies that are neither Lead nor Cooperating Societies. This specification, as outlined below, may be for reasons of equity, balance, history, or other such purpose.
  - a. Applied and Natural Sciences Accreditation Commission (ANSAC) –NCEES and NSPE.
  - b. Computing Accreditation Commission (CAC) – None.
  - c. Engineering Accreditation Commission (EAC) –NCEES and NSPE.
  - d. Engineering Technology Accreditation Commission (ETAC) –NCEES and NSPE.
3. The number of Commissioners required for a Commission may be estimated from the number of institutions it serves; a reasonable number of representatives by society may be obtained by basing their distribution on the number of institutions having programs in each discipline. Although some ABET Member Societies do not have primary responsibility for a specific program area, they have a demonstrated interest in the accreditation process for certain Commissions or programs and provide a diverse perspective. The structure for Commission size and composition incorporates these factors as detailed below:
  - a. The total number of Commissioners on each Commission shall not exceed  $3 \cdot N_{eq}/20$ , rounded to the nearest integer, where  $N_{eq} = N + N_8 + 0.5 \cdot N_{int}$ . N is the total number of institutions having programs accredited by the Commission as of the preceding annual cycle.  $N_8$  is the number of institutions with eight or more accredited programs by the Commission in the preceding annual cycle.  $N_{int}$  is the number of institutions outside the United States with accredited programs by the Commission as of the preceding annual cycle. The calculated total number of Commissioners includes representatives from Lead Societies and Cooperating Societies, and Board of Delegates-designated Commissioners, and does not include Commission Officers, Executive Committee Members-at-Large, Public Commissioners, or the Area Delegation Liaison to the Commission.
  - b. Each Lead Society, Cooperating Society that is not also a Lead Society on the Commission, and Board of Delegates-specified society shall be entitled to at least one Commissioner. In situations where meeting the required minimum of one Commissioner per Lead Society, Cooperating Society, and Board of Delegates-specified society results in a total that exceeds the authorized total calculated in Section Eight B.3.a., the higher total will prevail.

- c. The distribution of the remaining Commissioners shall be allocated to the Lead Societies in proportion to the number of institutions for which each Lead Society has programs accredited by that Commission.
- d. After the annual accreditation actions have been determined, the number and distribution of authorized positions for each Commission shall be calculated to provide appropriate guidance to the Commission Nominating Committees and societies. Nominations submitted to Area Delegations shall incorporate any resulting changes for the upcoming cycle.
- e. No Commissioner representing a society shall be removed as a result of the Commissioner's society losing an authorized position by virtue of the annual calculation described in the preceding section. In such instances, the sitting Commissioner may be re-nominated up to his/her maximum number of complete, consecutive annual terms, after which the seat will be vacated.
- f. In the event that a Lead, Cooperating, or Board of Delegates-specified Society declines to nominate a Commissioner or Commissioners to fill the Society's seat allocation, the Society will be allotted precisely the number of seats for which it has provided nominations. Additionally, the seat allocation calculation may be re-run minus that Society. This is to ensure that the Commission has the maximum allowable members among whom to distribute the workload.

### **C. Officers of the Commissions**

- 1. The Officers of each Commission shall be the Chair, Chair-Elect, Past Chair, and Vice Chair-Operations.
- 2. Responsibilities of the Officers:
  - a. The Chair will preside at all meetings of the Commission and the Commission Executive Committee, and will be responsible for the conduct of the business of the Commission.
  - b. The Chair-Elect will provide general assistance to the Chair as assigned and, in the absence of the Chair, the Chair-Elect will assume the Chair's duties.
  - c. The Past Chair will provide general assistance to the Chair as assigned, and will chair the Commission Nominating Committee.
  - d. The Vice Chair-Operations will assign Team Chairs for accreditation evaluations and provide general assistance to the Chair as assigned.

#### **D. Executive Committee**

1. Each Commission shall have an Executive Committee consisting of the Officers of the Commission, Members-at-Large, the Public Commissioner, and the Area Delegation Liaison.
2. All members of the Executive Committee are voting members with the exception of the Area Delegation Liaison.
3. Members of the Executive Committee are considered to be representatives of ABET, rather than of the societies to which they belong.
4. The number of Members-at-Large is a function of the Commission workload and shall not exceed  $((N_{eq}/40)-2)$ , rounded to the nearest integer and with a minimum of three, where  $N_{eq} = N + N_8 + 0.5*N_{int}$ . N is the total number of institutions having accredited programs covered by the Commission as of the preceding cycle. N<sub>8</sub> is the number of institutions with eight or more accredited programs by the Commission in the preceding annual cycle. N<sub>int</sub> is the number of institutions outside the United States with accredited programs by the Commission as of the preceding annual cycle. The number of Members-at-Large shall be calculated each year after the accreditation actions have been determined.
5. The Executive Committee is authorized to take action on behalf of the Commission on matters that require action when the Commission is not in session. With respect to accreditation decisions, such action must be unanimous; otherwise, the entire Commission must be polled.

#### **E. Nominations**

1. Member Societies having positions on the Commission shall be requested to nominate Commissioners and Alternate Commissioners annually. Member Societies shall strive for balance between educators and practitioners in their representation on the Commission.
2. Each Member Society is encouraged to nominate as Alternate Commissioners one or more persons who are qualified to become Commissioners in the event the original appointee is unable to fulfill the term of appointment.
3. If Commissioner or Alternate Commissioner nominations submitted by a Member Society are not considered acceptable to the Commission Nominating or Commission Executive Committees, the Commission Nominating Committee will request new nominees and may make suggestions of individuals whom it considers particularly well qualified.
4. The Commission Nominating Committee shall select nominees from the current or recent membership of the Commission for Commission Executive Committee positions. The Commission Nominating Committee shall strive to maintain a reasonable balance between

educators and practitioners and among Member Societies in the membership of the Executive Committee.

5. The Commission Nominating Committee will solicit recommendations for and will nominate Public Commissioner candidates. Sections Eight F and Eight G of the Rules of Procedure contain eligibility requirements to serve as Public Commissioner.
6. The Commission Nominating Committee will circulate the slate of nominees for Commission Officers, Commission Executive Committee Members-at-Large, the Public Commissioner, and Commissioners to the current Commission Membership with accompanying biographical information, and the voting Commission members will ratify approval or disapproval of each of the proposed nominees by majority vote. In the event a nominee fails to receive approval by 50 percent of the Commission members, the original nominating body (society or Commission Nominating Committee, as appropriate) will be asked to submit an alternate candidate.
7. The final slate of nominees shall be submitted to the associated Area Delegation for appointment.

#### **F. Commissioner Qualifications**

1. Nominees for Commissioner and Alternate Commissioner shall:
  - a. Have substantial experience as educators or practitioners in one or more of the disciplines represented by the Commission. Academic nominees shall also have had experience in ABET-accredited programs unless their discipline is one that has only recently become eligible for accreditation by an ABET Commission.
  - b. Have attended formal Program Evaluator training.
  - c. Have had experience as a Program Evaluator on at least three ABET visiting teams. Exceptions to this requirement are permitted when:
    - i. nominees are representing new Member Societies or
    - ii. nominees from current Member Societies are representing new curricular areas or
    - iii. a current Member Society has a documented shortfall in the number of potentially qualified nominees.

In such cases it will be acceptable for the nominee to have served on two ABET visiting teams as a Program Evaluator and as an observer on one ABET visiting team.

- d. Have attended the Commission’s Team Chair training prior to the effective date of their appointment.
