Claire L. Felbinger

As a Public Member on our Board of Delegates from 1998 to 2004, Claire L. Felbinger was a driving force for inclusion and led the first committee to formally bring the issue of diversity to the attention of the Board.

She was a tireless advocate for efforts to promote diversity and set in motion the work that is still being done today. Under her leadership, the Public Member Committee launched initiatives to consider and publish ABET Expert diversity statistics, issue a formal policy on diversity, and the creation of the President's Award for Diversity in 2005.

Dr. Felbinger passed away suddenly in her home on May 28, 2008. To honor her legacy, the award that she helped create now bears her name.
