## SECTION ONE: Purpose of Bylaws

These Bylaws govern the operation of the ABET Board of Directors and Board of Delegates and duly organized commissions, committees, councils, and other associated bodies. The Bylaws derive their authority from Article Ten of the ABET Constitution and are subsidiary to the Constitution.

## SECTION TWO: Admission of Members

- A. A Society may apply for Member or Consulting Member status in ABET with a letter from its governing body to the ABET Executive Director. The letter shall address the organization's rationale for seeking membership and provide specific details about how the applicant meets provisions of the Constitution, as detailed in Article Four, and these Bylaws defining Society eligibility. Information about the size and characteristics of its membership, including but not limited to qualifications for membership, proportion of members involved in the discipline and other relevant information should be addressed.
- B. The Member Society application must identify any curricular areas and educational programs the society seeks to represent, and for which it would play a lead role in criteria development. Societies applying to be individually responsible for a discipline must provide the names and locations of programs that likely would seek accreditation, along with an estimated number of students in each program. The applicant society shall also specify the population of programs that potentially would be accredited. Societies not applying to be individually responsible for a discipline must clearly indicate the Delegation Area(s) in which their membership has expertise and a desire to take an active role.
- C. Upon receipt of the application, the President shall form an Ad Hoc committee composed of at least three Board Delegates representing the cross-section of Delegation Area(s) requested by the society and one Director or ABET Officer. If the application is for Consulting Membership, at least one Consulting Board Delegate should be appointed to the Ad Hoc committee. The committee shall review the application and provide a recommendation for comment to the Board of Delegates and for action to the Board of Directors. The committee recommendation shall be presented no later than the second regularly scheduled Board of Delegates meeting following receipt of the completed application and to the next subsequent Board of Directors meeting for consideration.
- D. The committee will evaluate the application, seek input from the relevant Delegation Area(s), and submit a report to the Board of Directors with its findings and a recommended action. The report shall address at a minimum the following items, plus any additional information considered pertinent:
  - 1. The manner in which the stated objectives or purposes of the candidate Society reasonably can be expected to contribute to the purposes of ABET;

2. Verification and documentation that the Society meets the applicable membership characteristics contained in Article Four of the Constitution;
  3. Quantitative comparison of the candidate Member Society and, if applicable its programs, to existing ABET members and their programs, or candidate Consulting Member to existing Consulting Members.
  4. If an existing Member Society has accreditation oversight for or interest in the subject programs that the applying society seeks to represent, then that existing Society must be given the opportunity to relinquish or make its case for retaining its role for accreditation activities. The committee will recommend a resolution. The committee is responsible for soliciting additional information from the Society if the initial letter provides insufficient information for effective analysis and development of a recommendation.
- E. The applicant society will be admitted as a Member or Consulting Member Society at the first Board of Delegates meeting following receipt of the last Society ratification vote that provides the necessary two-thirds margin.
- F. Any existing Member Society or Consulting Member Society that wishes to change its membership status should follow the same admission process outlined in Bylaws Section Two A. through E.

### **SECTION THREE: Withdrawal**

- A. A Society may withdraw from ABET by providing written notice to the Executive Director at least six months prior to the end of an ABET fiscal year. The Board of Directors is empowered to accept the withdrawal, and the Board of Delegates shall be notified of the Board of Director's decision at the next regularly scheduled meeting. Should the Society's departure create operational issues, the Board of Delegates is authorized to make any necessary adjustments to ensure continuity of accreditation activities.
- B. The Treasurer will notify the Board of Directors if a Society is in arrears for more than six months for any financial obligation to ABET. A Society that fails to meet its financial responsibilities for a period of one year shall be considered in default upon consideration and approval by the Board of Directors. The Society will be notified that the default constitutes a request for withdrawal from ABET that will become effective at the end of the current ABET fiscal year.

## **SECTION FOUR: Rules of Procedure, Accreditation Criteria, and Other ABET Policies**

- A.** Detailed operations of ABET are captured in various Rules of Procedure. Rules of Procedure are the sole responsibility of the specified bodies, including approval and evolution, except where such approval is explicitly specified in a higher-level governing document. The following bodies have their own rules of procedure:
- 1.** The ABET Board of Directors;
  - 2.** The ABET Board of Delegates;
  - 3.** The Area Delegations Rules of Procedure are approved by the Board of Delegates;
  - 4.** The Commissions are governed by Rules of Procedure known as the Accreditation Policy and Procedure Manual, APPM. Changes to the APPM are approved by the Board of Delegates;
  - 5.** The various committees and councils have Rules of Procedure approved by the body to which they report.
- B.** The Board of Directors delegates to the Board of Delegates all accreditation-related activities associated with Accreditation Criteria and the Accreditation Policies and Procedures Manual (APPM). These Criteria, processes, procedures, and policies are derived from and subsidiary to the Constitution and Bylaws and will be published and made publicly available.
- C.** The Board of Directors delegates to the Area Delegations responsibility for appointment of Commissioners to their respective Commissions.
- D.** Accreditation criteria are at the heart of the ABET purpose for quality assurance in education as stated in Article Two Provision B of the Constitution. They provide guidance to the educational programs and to those who accredit them on the standards associated with programs of quality. Criteria are proposed by the respective Accreditation Commissions and approved by the Board of Delegates (harmonized sections of the General Criteria) or Area Delegations (areas of non-harmonized General Criteria and program-specific criteria), as appropriate, for publication for a period of review and comment by the public. The current criteria, along with impending changes, will be made publicly available.

## **SECTION FIVE: Directors**

- A.** The ABET Constitution specifies the role, composition and selection of the ABET Board of Directors.

- B.** In addition to meeting the provisions of Article Six of the Constitution, an individual Director of ABET may not hold multiple seats on the Board of Directors, nor serve as both Director and either Delegate or voting member of a Commission.
- C.** The Board of Delegates shall elect Directors by the spring Board of Delegates meeting for the term which begins at the close of the fall meeting of the Board of Directors. The Directors shall serve for a term of three years. The terms of approximately one-third of the Directors shall expire each year. A director shall not serve more than two complete terms in this capacity.
- D.** Election of Directors (other than officers) shall be by majority vote of the Board of Delegates, except in the case of Area Delegation Directors who shall be elected by the majority vote of each Area Delegation, respectively. If there are three or more candidates for a position, and none receive the majority of votes cast on an initial ballot, a second ballot involving the two candidates receiving the highest number of votes in the initial ballot will be conducted. Election of Officers is addressed in Section Seven of these Bylaws.
- E.** Area Delegation Director elections shall be governed by the Rules of Procedure of the Area Delegations.

## **SECTION SIX: Delegates**

- A.** As specified in Article Seven of the Constitution, Delegates are individuals appointed to the Board of Delegates by their respective Member Societies, and Consulting Delegates are individuals appointed to the Board of Delegates by their respective Consulting Member Societies.

Individuals appointed by their respective Member Societies or Consulting Member Societies to be their designated representatives to an Area Delegation shall be called Area Delegates to that Area Delegation. To clarify the distinction between Delegates, Consulting Delegates and Area Delegates, the term Board Delegates (Consulting Board Delegates) will be used to denote individuals appointed to the Board of Delegates by Member Societies (Consulting Member Societies).

- B.** In addition to meeting the provisions of Article Seven of the Constitution, the Area and Board Delegates of ABET may not serve in multiple roles as any delegate and either Officer, Director, or Commissioner.
- C.** In Accordance with Article Seven of the Constitution, the number of seats on the Board of Delegates and on each Area Delegation for each Member Society and Consulting Member Society shall be determined as follows.
  - 1.** For each Member Society, the number of Board Delegates is based on the number of U.S.-based accredited programs for which the Member Society has lead or co-lead responsibility for a curricular area, according to the table below. The count of accredited programs for a Member Society serving as Co-Lead for a curricular area includes only

U.S.-based programs for which that Member Society provides Program Evaluators. Section Twelve of these Bylaws describes the designation of Lead and Co-Lead Societies for a curricular area.

<b>Number of U.S.-Based Accredited Programs</b>	<b>Delegates</b>
<b>0-99</b>	1
<b>100-299</b>	2
<b>300 or more</b>	3

2. Each Consulting Member Society shall appoint one non-voting Consulting Delegate to the Board of Delegates.
3. The number of seats a Member Society has on each Area Delegation is determined by counting the same Lead and Co-Lead conditions as was used to determine the number of Board Delegates, but counting only those programs accredited by the Commission associated with that Area Delegation. However, no Member Society shall have a seat on an Area Delegation if it has no programs accredited by the associated Commission, with the following exceptions:
  - a. A Member Society listed as a Co-Lead or a Cooperating society on one or more programs in an Area, which does not already have an Area Delegate in that Area, may assign one delegate to that Area Delegation; and
  - b. A Member Society that is not individually responsible for any ABET program area, and is not a Co-Lead or Cooperating society to any program areas, may assign one delegate to each Area Delegation for which it was approved during its application for admission as a Member Society in ABET.
  - c. NCEES and NSPE each shall have one seat on each of the Engineering Area Delegation, the Engineering Technology Area Delegation, and the Applied and Natural Sciences Area Delegation.

Section Twelve of these Bylaws describes the designation of Cooperating Societies for a curricular area.

4. Consulting Member Societies may have a non-voting seat on any Area Delegation in which they have an interest.
- D.** Each Member Society shall appoint its respective Board Delegate(s) and one or more Alternate Board Delegates by June 30 for the term that begins at the close of the fall meeting of the Board of Delegates. Each Consulting Member Society shall appoint its Consulting Board Delegate and one or more Alternate Consulting Board Delegates according to the same timetable. Board Delegates and Consulting Board Delegates shall serve for a term of three

years. The terms of approximately one-third of the Board Delegates and Consulting Board Delegates shall expire each year. No Board Delegate or Consulting Board Delegate shall serve more than two complete terms in this capacity.

- E.** Each Member Society and each Consulting Member Society shall specify annually which individual(s) will serve as its Area Delegate(s) to each of the Area Delegations on which it is eligible to have seats. The number of Area Delegates assigned by a society to an Area Delegation must not exceed that society's allotted representation on that Area Delegation. Every Board Delegate must be an Area Delegate, and every Area Delegate must be a Board Delegate (Consulting Board Delegate) or Alternate Board Delegate (Alternate Consulting Board Delegate). All Board Delegates, Consulting Board Delegates, Alternate Board Delegates and Alternate Consulting Board Delegates not assigned by a Member or Consulting Member Society as Area Delegates to an Area Delegation will be assumed to be alternates for all of that society's applicable Area Delegations. No individual may serve more than nine one-year terms as an Area Delegate.
- F.** In case a Board Delegate or Consulting Board Delegate is unable to attend a meeting of the Board of Delegates, or an Area Delegate is unable to attend a meeting of that Area Delegation, the Member or Consulting Member Society shall designate an alternate by notifying the Executive Director in writing not less than five (5) working days prior to the meeting. This individual is typically another Board Delegate, Alternate Board Delegate, Consulting Board Delegate or Alternate Consulting Board Delegate from that society, but in all cases the alternate must meet the requirements of Section Six of these Bylaws. No person may hold multiple seats at any meeting of the Board of Delegates or at any meeting of an Area Delegation. Upon receipt of official notification of the designated alternate from the Member or Consulting Member Society, the alternate shall have all of the privileges afforded to that society's representatives to that meeting.
- G.** A vacancy in the representation of a Member or Consulting Member Society shall be filled by that society by the appointment of an individual to complete the unexpired term. This individual is typically an Alternate Board Delegate or Alternate Consulting Board Delegate. Completion of an unexpired term shall not be counted toward the total period of service.

## **SECTION SEVEN: Officers**

- A.** In addition to the provisions of Article Seven of the Constitution, the officers of ABET may not serve in dual roles as both officers and non-officer Directors, or as both officers and Board or Area Delegates, or as both officers and commissioners or officers and Program Evaluators.
- B.** The Secretary may serve no more than two complete, consecutive terms of one year each. The Treasurer may serve no more than three complete, consecutive terms of two years each. Additionally, the Treasurer must have served on the Finance Committee within the last three years prior to election.

- C.** The Board of Delegates shall elect the Officers. Persons eligible for nomination as Officers must be present or past Directors, or present or past Board Delegates. However, Public Directors are not eligible for nomination as Officers, and At-Large Directors are not eligible for nomination as Officers unless they are current members of a Member Society.
- D.** In accordance with Article Eight of the Constitution, in the event that the President is unable to perform the duties of the office, the President-Elect assumes the role of President.
- E.** In addition to Provision I of Article Six of the Constitution, the Treasurer shall serve as chair of the Finance Committee.
- F.** Election of Officers shall be by majority vote of the Board of Delegates. If there are three or more candidates for a position, and none receive a majority of votes cast on an initial ballot, a second ballot involving the two candidates receiving the highest number of votes on the initial ballot will be conducted.

## **SECTION EIGHT: Training**

Training is required for all new Directors, At-Large Directors, Public Directors, Board Delegates, Consulting Board Delegates, Alternate Board Delegates, Alternate Consulting Board Delegates, and Public Delegates. This indemnification may be made in advance of final disposition of the action.
